RE: POZNAN PORSCHE OPEN

Dear Mr Jordan

Thank you most sincerely for another superb week in Poznan. We are particularly grateful to you, your staff and especially to your sponsors for maintaining such a high level of tournament in these difficult financial times. The degree of commitment and enthusiasm is very much appreciated by the ATP and all the players.

The event was a pleasure for all who attended and it was very good to see that the event is so well supported in terms of spectators. The excellent off-court programme too was an additional bonus for the players.. We would particularly like to thank Madga for her efficient and professional management of a difficult hotel situation which was handled very smoothly and without any complaints. Please pass on thanks also to those responsible for the selection and training of the line umpires and ballkids, both of which were of a very high standard.

We, at the ATP, are so pleased that the Poznan Porsche Open was back on our calendar again this year, despite some initial doubts, and we very much hope that we can continue our successful collaboration in 2010.

It is a great personal pleasure working with you and the Poznan team.

Kind regards,

Joanna Langhorne
